

W4S Elite Navigation Services TM

Peace of Mind, Clarity, & Confidence – When YOU Need it Most

What

On-site navigation services for seniors living alone who are facing a major surgery, procedure, second opinion, or specialist consultation.

Why it Matters

You have enough to worry about. Let an experienced healthcare navigator help you:

- ◆ Prepare for your visit
- ◆ Ask the right questions during your appointment
- ◆ Document the answers and treatment plan clearly

Pricing

\$150 per visit (plus travel expenses). Includes a money-back guarantee and three deliverables:

-  Pre-Visit Document – What to expect, key questions to ask, and paperwork to complete ahead of time.
-  Visit Support – I'll be there with you. You focus on the doctor—I'll ask the right questions and track the details.
-  Post-Visit Summary – A 1–2 page document outlining the visit, next steps, and any unanswered questions or follow-ups.

What Patients Are Saying

- ◆ “It is GREAT to have Scott at my side during a big hospital appointment involving multiple providers with lots of information to digest. I left the appointment feeling calm, informed, and in control.” CB
- ◆ “This service should be standard for every active adult, especially those of us living alone, facing a big medical decision.” SEB
