

# W4S Elite Diagnosis Report <sup>TM</sup>

---

## The Most Important Healthcare Choice You'll Ever Make

---

### Facing a New Diagnosis?

We guide you from confusion to confidence with a comprehensive (13-16 pages), personalized, medical doctor-verified report that answers three essential questions:

-  WHAT...is your diagnosis?
-  HOW...do you treat it?
-  WHO...are the best doctors?

### Why It Matters:

- ✳ Medical errors are the 3rd leading cause of death in the U.S.
- ✳ Medical mistakes harm 10x more people than they kill.
- ✳ 88% of second opinions lead to revised or new diagnoses.

### What's Included:

- ❓ Your Diagnosis
  - ◆ Clear summary of your condition
  - ◆ Key symptoms, red flags, and causes
  - ◆ Trusted and validated sources: i.e., Mayo Clinic, NIH, UpToDate
-  Reviewed and vetted by a licensed medical doctor
-  Treatment Options
  - ◆ Non-surgical & surgical paths
  - ◆ New therapies & lifestyle strategies
  - ◆ Risks and benefits
  - ◆ Assessment and ranking of devices if applicable

### Elite Provider Report™

Our proprietary vetting process delivers six critical insights for each recommended specialist:

 <b>Criteria</b>	<b>Description</b>
 Physician Ranking	Volume, research, peer standing & connectedness (Medifind)
 Patient Satisfaction	Vetted feedback & scores (Healthgrades, US News Health)
 No Board Disciplinary Action	Verified via DocInfo
 “Sweet Spot” Characteristics	Age, training, certification (ShareCare)
 Insurance Verification	W4S Phone Call Verified
 Next Available Appointment	W4S Phone Call Verified

### Additional Insights

 Provider Supply & Demand. Is there a shortage in this specialty/area?

 Key Questions to ask during your consult.
